RKW RESIDENTIAL Announces Two New Regional Managers in South Florida

Multifamily management firm adds Sabrina DeLorme and promotes Chantal Renaud to new role

Miami, FL (Oct. 18, 2021) - RKW Residential, one of the nation's fastest-growing multifamily management firms, continues to expand its South Florida team with the addition of Sabrina DeLorme and the promotion of Chantal Renaud. Both are based in the firm's Miami office.

DeLorme, a new Regional Manager with RKW, brings 20 years of experience across the Florida and Georgia markets. In her new role, she oversees a portfolio of communities across South Florida. DeLorme's extensive background in renovation management also complements the firm's strategic oversight of value-add projects.

After starting her career with Trammell Crow Residential and continuing during its transition to Riverstone Residential, DeLorme served as Regional Supervisor for Fairfield Residential.

Renaud, who is also based in South Florida, has more than 15 years of experience leading property operations for garden, mid-rise and high-rise assets. Her promotion to Regional Manager for RKW means Renaud oversees operations for a portfolio of communities throughout the region. Prior to the promotion, she oversaw the RKW-managed Seabourn Cove in Boynton Beach.

Before joining RKW, Renaud worked with Greystar and Alliance Residential Group.

"Sabrina and Chantal strengthen our growing team in South Florida," RKW Senior Vice President – Operations Johnny De La Espriella said. "Their new roles come at a pivotal time for us, as our clients in the region continue to start new multifamily developments and pursue community acquisitions."

Founded just six years ago, RKW is one of the multifamily industry's most compelling entrepreneurial success stories in recent memory.

The company was recognized by *Multi-Housing News* as the nation's third-fastest growing multifamily management company in the publication's 2021 rankings. It also made MHN's annual "Top Property Managers" list for the third consecutive year.
